

Dear Friends and Family,

I recently accepted the challenge to raise funds to support the Susan G. Komen Race for the Cure®. Please join me in the fight against breast cancer by pledging your support in the Race.

Your tax-deductible contribution will fund local innovative outreach, awareness and treatment programs for the medically underserved right here in our community. And up to twenty-five percent of your donation will support national cutting-edge breast cancer research. Please visit my personal fundraising page and consider making a tax-deductible donation to support my participation!

I truly appreciate your support in helping me reach my goal of \$[Insert Goal]!

Sincerely,
